

World Autism Awareness Day – April 2nd

Earth Day – April 22nd

Earth Day is next month but you can start celebrating now. Here's what you can do to make a difference:

1. **Turn off** your office lights and computer at the end of the day.
2. **Conserve paper** when printing – use both sides of the paper when you can. Save paper with clean sides to be used as scrap paper.
3. **Carpool!** Save money by sharing fuel and reduce the wear and tear of your vehicle.
