Outdoor Spaces at 540 West Madison

Summer is almost here! Don’t forget to take advantage of the building’s ample outdoor seating. Whether it’s Madison Plaza, the 6th Floor Roof Garden, or the 590 Garden, located on the corner of Washington Boulevard and Jefferson Street. These comfortable expanded spaces are the perfect place for a casual meeting, quick lunch, or just a moment of relaxation.

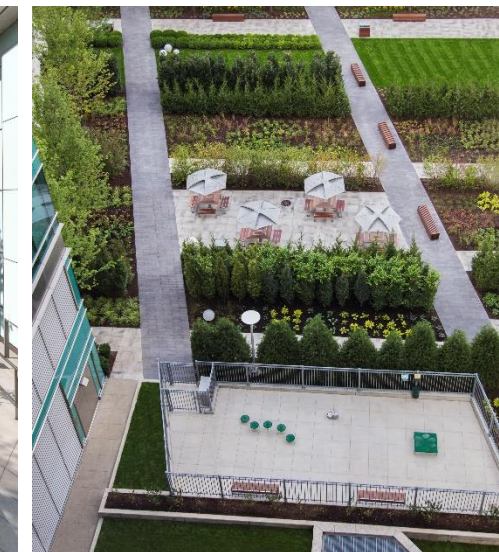

The building partners with Moore Landscapes to maintain the abundance of plant life in these spaces, attracting beneficial insects, helping the bees on our rooftop apiary, and bringing nature closer to all of us.
